

appropriate order placement procedures. The contracting officer should keep submission requirements to a minimum. Contracting officers may use streamlined procedures, including oral presentations. In addition, the contracting officer need not contact each of the multiple awardees under the contract before selecting an order awardee if the contracting officer has information available to ensure that each awardee is provided a fair opportunity to be considered for each order. The competition requirements in part 6 and the policies in subpart 15.3 do not apply to the ordering process. However, the contracting officer must—

(A) Develop placement procedures that will provide each awardee a fair opportunity to be considered for each order and that reflect the requirement and other aspects of the contracting environment;

(B) Not use any method (such as allocation or designation of any preferred awardee) that would not result in fair consideration being given to all awardees prior to placing each order;

(C) Tailor the procedures to each acquisition;

(D) Include the procedures in the solicitation and the contract; and

(E) Consider price or cost under each order as one of the factors in the selection decision.

(iii) The contracting officer should consider the following when developing the procedures:

(A)(1) Past performance on earlier orders under the contract, including quality, timeliness and cost control.

(2) Potential impact on other orders placed with the contractor.

(3) Minimum order requirements.

(B) Formal evaluation plans or scoring of quotes or offers are not required.

(2) *Exceptions to the fair opportunity process.* The only exceptions to the requirement to provide each awardee a fair opportunity to be considered for each order exceeding \$2,500 are—

(i) The agency need for the supplies or services is so urgent that providing a fair opportunity would result in unacceptable delays;

(ii) Only one awardee is capable of providing the supplies or services required at the level of quality required because the supplies or services ordered are unique or highly specialized;

(iii) The order must be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order; or

(iv) It is necessary to place an order to satisfy a minimum guarantee.

(3) *Pricing orders.* If the contract did not establish the price for the supply or service, the contracting officer must establish prices for each order using the policies and methods in subpart 15.4.

(4) *Decision documentation for orders.* The contracting officer must document in the contract file the rationale for placement and price of each order.

(5) *Task and Delivery Order Ombudsman.* The head of the agency must designate a task-order contract and delivery-order contract ombudsman. The ombudsman must review complaints from contractors and ensure they are afforded a fair opportunity to be considered, consistent with the procedures in the contract. The ombudsman must be a senior agency official who is independent of the contracting officer and may be the agency's competition advocate.

(c) *Limitation on ordering period for task-order contracts for advisory and assistance services.* (1) Except as provided for in paragraphs (c)(2) and (c)(3), the ordering period of a task-order contract for advisory and assistance services, including all options or modifications, normally may not exceed 5 years.

(2) The 5-year limitation does not apply when—

(i) A longer ordering period is specifically authorized by a statute; or

(ii) The contract is for an acquisition of supplies or services that includes the acquisition of advisory and assistance services and the contracting officer, or other official designated by the head of the agency, determines that the advisory and assistance services are incidental and not a significant component of the contract.

(3) The contracting officer may extend the contract on a sole-source basis only once for a period not to exceed 6 months if the contracting officer, or other official designated by the head of the agency, determines that—

(i) The award of a follow-on contract is delayed by circumstances that were not reasonably foreseeable at the time the initial contract was entered into; and

(ii) The extension is necessary to ensure continuity of services, pending the award of the follow-on contract.

7. Amend section 16.506—

a. In paragraphs (a), (b), (c), (d)(1), and (e) by removing the words “The contracting officer shall insert” and adding, in their place, the word “Insert”;

b. In paragraphs (d)(2), (d)(3), and (d)(4) by removing the words “the contracting officer shall”; and

c. By revising paragraphs (d)(5), (f), and (g) to read as follows:

16.506 Solicitation provisions and contract clauses.

* * * * *

(d) * * *

(5) If the contract—

(i) Includes subsistence for Government use and resale in the same schedule and similar products may be acquired on a brand-name basis; and

(ii) Involves a partial small business set-aside, use the clause with its Alternate IV.

* * * * *

(f) Insert the provision at 52.216–27, Single or Multiple Awards, in solicitations for indefinite-quantity contracts that may result in multiple contract awards. Modify the provision to specify the estimated number of awards. Do not use this provision for advisory and assistance services contracts that exceed 3 years and \$10 million (including all options).

(g) Insert the provision at 52.216–28, Multiple Awards for Advisory and Assistance Services, in solicitations for task-order contracts for advisory and assistance services that exceed 3 years and \$10 million (including all options), unless a determination has been made under 16.504(c)(2)(i)(A). Modify the provision to specify the estimated number of awards.

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to implement Sections 803 and 808 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Pub. L. 105-261).

DATES: *Effective Date:* April 25, 2000.

Applicability Date: The FAR, as amended by this rule, is applicable to solicitations issued on or after April 25, 2000.

FOR FURTHER INFORMATION CONTACT: The FAR Secretariat, Room 4035, GS Building, Washington, DC, 20405, (202) 501-4755, for information pertaining to status or publication schedules. For clarification of content, contact Mr. Jeremy Olson at (202) 501-0692. Please cite FAC 97-17, FAR case 1998-300.

SUPPLEMENTARY INFORMATION:

A. Background

The Councils initiated this case to implement Sections 803 and 808 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Pub. L. 105-261) as follows:

(a) *Section 803 of Public Law 105-261.* (1) Paragraphs (a)(2)(A) through (a)(2)(C) of Section 803 of Pub. L. 105-261 require that the FAR provide specific guidance concerning—

(i) The appropriate application and precedence of various price analysis tools;

(ii) The circumstances under which contracting officers should require offerors of exempt commercial items to provide information other than cost or pricing data; and

(iii) The role and responsibility of support organizations in determining price reasonableness.

(2) Paragraph (a)(2)(D) of Section 803 is not implemented under this case.

(b) *Section 808 of Public Law 105-261.* Section 808 of Public Law 105-261 requires amending the FAR to—

(1) Clarify procedures associated with obtaining information other than cost or pricing data;

(2) Establish that offerors who fail to comply with requirements to provide the information shall be ineligible for award; and

(3) Establish exceptions, as appropriate.

The Councils published an interim rule in the **Federal Register** on September 24, 1999 (64 FR 51828). Five respondents submitted comments in response to the interim rule. The Councils considered all comments in the development of the final rule.

This rule was not subject to Office of Management and Budget review under

Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Councils prepared a Final Regulatory Flexibility Analysis (FRFA) consistent with 5 U.S.C. 604. Interested parties may obtain a copy of the FRFA from the FAR Secretariat. The FRFA is summarized as follows:

The primary objective of this rule is to provide guidance on determining price reasonableness and commerciality, and to specify that offerors failing to comply with a requirement to provide certain information other than cost or pricing data are ineligible for award. There were no issues raised by the public in response to the Initial Regulatory Flexibility Analysis. The rule will apply to all offerors, large or small, that respond to solicitations for commercial items for which information other than cost or pricing data is required. Few, if any, offerors are expected to fail to comply with the requirements to provide information other than cost or pricing data. The rule does not impose any new reporting or recordkeeping requirements. There are no significant alternatives to the rule that would accomplish the stated objectives yet further reduce impact on small entities. The rule includes only FAR text revisions required to implement the statute cited herein.

The FAR Secretariat has submitted a copy of the FRFA to the Chief Counsel for Advocacy of the Small Business Administration.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
