SUPPLEMENTARY INFORMATION:**A. Background**

This proposed rule amends FAR Subparts 8.6 and 42.15 to remove the prohibition on evaluating Federal Prison Industries (FPI) contract performance. Past performance information is collected for use in future source selections regarding a contractor's actions under previously awarded contracts. This change will permit Federal customers to rate FPI performance, compare FPI to private sector providers, and give FPI important feedback on previously awarded contracts. It is expected that this change will give FPI the same opportunity that we give private sector providers, to improve their customer satisfaction, in general, and their performance on delivery, prices, and quality, specifically.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Councils do not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because extending the collection of past performance data to include FPI contracts can be accomplished within our normal means of performing business and further serves to promote competition among offerors. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR

Parts 8 and 42 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2001–035), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
