SUPPLEMENTARY INFORMATION:

A. Background

This final rule amends FAR 25.003, the clause at FAR 52.225-5, Trade Agreements, and the clause at 52.225-11, Buy American Act—Balance of Payments Program—Construction Materials under Trade Agreements, to add Iceland to the list of designated countries under the Trade Agreements Act (TAA).

In addition, if the TAA applies, Executive Order 13126 of June 12, 1999, Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor, does not apply to contracts for the acquisition of products from foreign countries that are party to the Agreement on Government Procurement. Therefore, this final rule also adds Iceland to the list of excepted countries of origin at 22.1503(b)(4) and the associated clause at 52.222-19, Child Labor—Cooperation with Authorities and Remedies.

This is not a significant regulatory action, and therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

This final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Public Law 98-577, and publication for public comment is not required. However, the Councils will consider comments from small entities concerning the affected FAR part 25 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAC 2001-02, FAR case 2001-025), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

RIN 9000-AJ11

Federal Acquisition Regulation; Contractor Personnel in the Procurement of Information Technology Services

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed to adopt as final, without change, the interim rule published as Item II of Federal Acquisition Circular 97-25 published in the **Federal Register** on May 2, 2001. The rule amends the Federal Acquisition Regulation (FAR) to implement Section 813 of the Floyd D. Spence National Defense Authorization Act for fiscal year 2001 (Pub. L. 106-398). The Act requires that the FAR be amended to address the use, in the procurement of information technology services, of requirements regarding the experience and education of contractor personnel.

DATES: Effective Date: December 18, 2001.

FOR FURTHER INFORMATION CONTACT: The FAR Secretariat, Room 4035, GS Building, Washington, DC, 20405, (202) 501-4755, for information pertaining to status or publication schedules. For clarification of content, contact Ms. Linda Nelson, Procurement Analyst, at (202) 501-1900. Please cite FAC 2001-02, FAR case 2000-609.

SUPPLEMENTARY INFORMATION:

A. Background

DoD, GSA, and NASA published an interim rule in the **Federal Register** at 66 FR 22084, May 2, 2001, adding a new subsection to Subpart 39.1 to implement Section 813 of the Floyd D. Spence National Defense Authorization Act for fiscal year 2001 (Pub. L. 106-398). Section 813 prohibits the use of minimum experience or education requirements for contractor personnel in solicitations for the acquisition of

information technology services, unless—

1. The contracting officer first determines that the needs of the agency cannot be met without such requirement; or

2. The needs of the agency require the use of a type of contract other than a performance-based contract.

Public comments were received from two sources. The comments were considered in developing the final rule. The interim rule is converted to a final rule without change.

This is not a significant regulatory action, and therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, applies to this final rule. The Councils prepared a Final Regulatory Flexibility Analysis (FRFA) and it is summarized as follows

This rule amends Part 39 of the Federal Acquisition Regulation to implement Section 813 of the Floyd D. Spence National Defense Authorization Act for fiscal year 2001 (Pub. L. 106–398). The objective of this rule is to revise the FAR to address the use of requirements regarding the experience and education of contractor personnel when acquiring information technology services. The rule prohibits the use of minimum experience or education requirements for contractor personnel in solicitations for the acquisition of information technology services, unless the contracting officer first determines the needs of the agency cannot be met without that requirement; or the needs of the agency require the use of a type of contract other than a performance-based contract.

The rule will apply to all large and small entities that seek award of Federal information service contracts. In fiscal year 2000, we estimated that Federal agencies awarded approximately 14,578 contracts totaling approximately \$3.4 billion to small entities for information technology services. The rule should have a positive economic impact on small businesses because it will make it easier for them to hire employees to work on information technology service contracts, as well as increase their business opportunities in obtaining Federal contracts.

Interested parties may obtain a copy of the FRFA from the FAR Secretariat. The FAR Secretariat has submitted a copy of the FRFA to the Chief Counsel for Advocacy of the Small Business Administration.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
